

# Twist of Fate

Kaye Dion Lvn

This compelling novel is about a schizophrenic pedophile who rapes and kills a five year old girl, just outside of town. After he received the lethal injection, his liver is donated to his sister, who is dying of Hepatitis C. Jessie's other vital organs were donated to people who desperately needed, a heart, lungs, and kidneys. Irene, Jessie's sister found solace in knowing that he had made a positive impact in the world, through only because of a twist of fate.
